Interpret Europe Conference – 23 to 26 March 2018 in Kőszeg, Hungary

More than 50 international speeches, presentations, workshops and study visits

Through interpretation, I believe heritage can contribute to the building of communities, not just at local level, but also on national and European levels.

Bringing citizens closer to their heritage is about bringing them closer to each other, and this is an important step towards a more inclusive society.

Tibor Navracsics, EU Commissioner for Education, Culture, Youth and Sport
